

AN INTERVIEW FOR SALVATION

Imagin being interviewed for your salvation by Christ Yeshua Himself as you wait patiently in the lobby for your name to be called, you really don't know what to expect.

Then the door opens and a young woman emerges with tears in her eyes all a glow with a peaceful smile on her face. You ask the secretary if she is ok and she responds,

“O yes child she is much better now praise God.”

Then you're the next one being called, you stand up, brush your self off and walk through the door, suddenly you're filled with great peace, love, and joy.

Our Lord smiles as He invites you to please take a seat, then He looks at you for a moment thinking to Himself then asks,

“So U have decided to apply for the position?”

“O yes I've heard great things about working for you Sir”

“Please call Me Yeshua, we are all family here.”

Then our Lord looks at you and says,

“Do you want to be Christ like?”

“Yes, I truly want to be like Him”

“Then here are a few questions you must seriously consider first, Do you understand that to be Christ like is to suffer for the sake of others? Do you realize being Christ like is to have a willingness to place Service Above Self in reaching out in helping others for the glory of God? Do you accept the fact that being Christ like is to do the will of the Father in being obedient to His word?”

“Wow I never really looked at it that way before.”

“Are you prepared to love thy enemy and to love others as Christ Yeshua loves you? Are you willing to place your needs second to the needs of others and lastly do you love Abba Father & the Holy Spirit and Christ Yeshua with all your heart, soul, strength, and mind and love thy neighbor as thy self?”

“That is a huge responsibility, I have to really think about all of this if its Ok with you please?”

“Yes, it’s fine, I understand, it’s a lot to take in, I tell you want you take some time to pray and think about what you are getting into by working (Following Me) with Me and remember I love you.”
