

AMERICA THE FAITHFUL

By Chaplain Paul D Vescio 193

Psalms 33:12 Blessed is the nation whose God is the Lord

OLE LADY LIBERTY

O Lady Liberty who used to shine O how you used
to shine so bright with awe, dignity, and delight,
O but now I ask you what has happened O sweet
Lady Liberty, has our government truly traded
honor for lust and honesty for disgust?

O Lady Liberty when you were young our nation
was a shining light chasing away the darkness of
the night.

O Lady Liberty you flew like eagle and dove, O but
now fallen from air heavy in debt and sunk with
despair.

O Lady Liberty we see your torch shine, please help
us to put all of this greed and corruption behind.

O Lady Liberty we look to Our Lord Christ Yeshua's light to lead us back on a path of what we know to be right.

O Lady Liberty we stand and we pray that our nation will stand back on the path of righteousness someday, for out of the darkness and into the day I can't help but to ask our nation to pray,

“O Lord please help fix our broken health care and heal our sick, and replace greed and corruption with love and compassion, Amen.”

O Lady Liberty of iron and copper, of torch and of flame, of beauty and strength, of wisdom and peace let our great nation look upon you and see the pain in your eyes and the tears that flow like rain because of our nations sorrowful pain.

O Lady Liberty many have bled, sacrificed and have died, it's high time we as a nation stand up and turn back the tide.

O Lady Liberty what you're telling is so true, “People of America stand up and do what you know in your hearts to be right, before this precious land of ours vanishes right before our very sight!”

I ask you do you love liberty from sea to shining sea and are you willing to lay down your life for the sake of liberty? For so many have done before when adversity and war came knocking at America's front door.

Now inscribed on Lady Liberty are these few precious words for all to see “Give me your tired your poor your huddled masses yearning to breathe free” this is a poem I faithfully call O Lady Liberty...

(verse written by Emma Lazarus)

Now the Lord is the spirit and where the spirit of the Lord is there is Liberty.

(2 Corinthians 3:17)

AMERICA THE FAITHFUL

Once upon a time not too long ago there lived one nation that was obedient under the authority of God. This nation was a shining example to the world, this nation like a light on a hill and a beacon of hope led the world in the right direction through its faith in God.

America's prosperity is directly linked to our willingness in being obedient to God; when we as a nation take the time to fast and pray in giving thanks and praise to God for His blessings of safety and prosperity for this land then we became blessed in the process. When we as a nation repent and turn from our sinful ways and seek to know His word through our obedience and love then we became a stronger nation for the glory of God...Amen John 14:27

The Trees That Stood Still

Once Upon a time in a magical forest far, far away there lived the Patriot Trees, the Patriot Trees were able to move about within the confines of the magical forest and when any threat came their way to try cut them down and steal their land they would all stand firm and fight back, they had the power to wave their mighty branches and create a wind so powerful that it would blow away any foe.

The Patriot Trees protected the forest, they protected the animals, they protected all the wildlife, the Patriot Trees were strong and mighty and they kept the forest clean and free,

Then one by one the Patriot Trees got very old and began falling away and within a few years there was only one true Patriot Tree left, all the other trees compromised their principles over the years which weakened their ability to stand firm and strong against the opposing forces who wanted nothing more than to take away their freedom and their land and cut them down and haul them away.

Soon after a big timber company began cutting their way through the magic forest, by this time the last Patriot Tree was old and his ways were considered old fashion and obsolete. The Patriot Tree tried to warn the younger trees of the imminent danger but they wouldn't listen they reasoned that if they just stood still and left the timber crew alone then the timber crew would leave them alone.

It was decided that the trees would just stay still and remain silent and hope for the best. In the coming weeks and months the trees were slowly cut down and hauled away, the old Patriot Tree retreated far into the forest with the hopes of planting the seeds that would one day produce another forest of mighty Patriot trees.

We live in a time where most people have chosen to stay still and remain silent and inactive in the face of the encroaching danger, there

are forces out there just like the timber crew who want nothing more than to cut our freedoms down and haul us away, we cannot just remain silent and still hoping that everything will get better, we cannot continue to remain inactive and indifferent, what's happening is our rights and our freedoms are being attacked and eroded right before our eyes, the Patriot Trees of America need to rise up and reclaim their rights and freedoms and we need to fight back before it's too late,

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.

THE FAITHFUL AMERICAN EAGLE

By Chaplain Paul Vescio 193

Isaiah 40:31 But those who wait on the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.

The Faithful American eagle flies alone, for this bird of a feather has got his act together. The Faithful American Eagle is not a bird who flies with a crowd like all the other birds of a feather who seem to want to flock all together.

The Faithful American Eagle is free and strong in his faith in God, he is not afraid to take a stand for the truth in standing up for what's right and just in this world.

The Faithful American Eagle flies with Christ Jesus right by his side with the power of the Holy Spirit to help him stay in the air and glide. Abba Father holds him in His righteous right hand, and He gives him power in helping this faithful eagle to make a stand.

The Faithful American Eagle is true red, white, and blue, and if by chance you one of these faithful America eagles just happen to pass your way give all the Praise, Honor, and Glory to God that faithful day.

The Faithful American Eagle is you and me who are in Christ Yeshua our Lord, and as true believers and followers of The King of kings, and The Lord of lords we know our future with our Lord is secure and that we will one day be in Heaven with Him for all eternity...Amen

Revelation 3:20-21 Behold I stand at the door and knock, If anyone hears My voice and opens the door I will come into him and dine with him and he with Me. To Him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne.

Revelation 22:11-12 He who is unjust let him be unjust still; he who is filthy let him be filthy still; he who is righteous let him be righteous still; he who is holy let him be holy still.

And behold I am coming quickly and My reward is with Me to give to every one according to his work. I am the Alpha and Omega, the Beginning and the End, the First and the Last...Amen
