A BETTER WAY

By Chaplain Paul 9-4-2020

When the Children of Israel wanted to be like other nations by having a king they complained to the Prophet Samuel then Samuel explained to the people all the cons of having a king lord over them. He explained that a king would tax the people and take the best land and enlist their sons in the king's army. Kings make up their own rules at the expense of the people but after Samuel's repeated warnings the Children of Israel still wanted a king.

So, God gave them King Saul, King Saul was allowed to be king of Israel, he was not anointed as God's chosen Leader. Saul was the Children of Israel's king there is a big difference here.

Now we in America elect a President to lead our nation, what was that? We elect a president and whoever gets elected is allowed to be our president for 4 to 8 years. We elect a president much in the same way the Children of Israel wanted a king.

So what's wrong with this picture here? There is a right way and a wrong way in choosing people to lead us. Moses was chosen by God to lead then Moses appointed judges to serve under him.

The way God works is He raises up a Prophet then He tells that Prophet who He has chosen to lead then He tells the Prophet to go and anoint the chosen person's head with oil and that person is then recognized as a leader of Israel. There are times were God chooses a leader without using a Prophet, like He did with Moses and with certain people in the Book of Judges and with Abraham.

What does this mean for America? Well to begin with, God's Way is the only Way that works best. We can continue to elect presidents our way which in most cases leads to no way or we can try it God's Way and let Him anoint a true man or women of God to lead our nation one who's chosen by the God of Abraham, Isaac and Jacob to be America's Leader for the glory of God...Amen

1 Samuel 9-10-22 So Samuel told all the words of the Lord to the people who asked him for a king and he said, "This will be the behavior of the King who will reign over you he will take your sons and appoint them for his own chariots and to be his horsemen and some will run before his chariots. He will appoint captains over his thousands and captains over his 50s will set some to plow his ground and reap his harvest and some to make weapons of war and equipment for his chariots.

He will take your daughters to be perfumers, cooks, and bakers. And he will take the best of your fields your vineyards and your olive Groves and give them to his servants. He will take a tenth of your grain and your vintage and give it to his officers and servants. He will take your male servants your female servants your finest young men and your donkeys and put them to his work. He will take a tenth of your sheep and you will be his servants. And you will cry out in the day because of your King whom you have chosen for yourselves and the Lord will not hear you in that day. Nevertheless the people refused to obey the voice of Samuel and they said no but we will have a king over us, that we also may be like all the nations and that our king may judge us and go out before us and fight our battles.

And Samuel heard all the words of the people and he repeated them in hearing of the Lord. So, the Lord said to Samuel heed their voice and make them a king and Samuel said to the men of Israel, "Every man go to his city." end

God gave the Children of Israel what they wanted even to their own detriment, God gave them Saul to be their king and there we have it, man in his stupidity would rather have a king rule over them than a living God. America it's time we as a nation gave the leadership of this country back to God and let Him lead the Way for a positive change for everyone...Amen

John 14:6 Yeshua said to them, "I am the Way, the Truth and the Life no one comes to the Father except through Me."

A PUPPET, A BOSS, A SERVANT, OR A KING

By Chaplain America 193 9-14-20

Who would you want ruling over you these days, I ask you, Would you want a Puppet, a Boss, a Servant or a King? Have you ever really put much thought into it?

Let's break it down just a bit. The first person is a puppet, a puppet is owned by corporate America and the big drug companies and I think we all know who this describes. Most if not all politicians are beholden to the people who control their purse strings after all without a significant bankroll a person's chances of winning an election these days are slim to none. Ole Sleepy Joe is the typical political puppet he is owned by corporate America and the big drug companies of America his voting record speaks for itself and his inability to do anything in lowering drug prices over the last 30 years is all the proof we need.

The next person on our list is a Boss, A Boss runs the show, a Boss tells it like it is. A Boss's way is do it his way or it's the highway. A Boss knows how to delegate authority and what the Boss says goes. Having a Boss is better than having a spineless puppet rule over us at least with a Boss you know what you're getting well in most cases. A bad, greedy, mean, egotistical, prideful Boss is very dangerous at best, President Trump is definitely a Boss and he has a mixture of good traits and bad we just have to pray he makes the right decisions for all our sake.

The next person on our list is a Servant, a Servant is a person who places Service Above Self in reaching out in helping others, Abraham Lincoln, Robert Kennedy, Martin Luther King Jr are just three of many good servants in this world. They each placed self second for the needs of others. Our elected officials are defined as being public servants sworn to uphold and to protect the Constitution of the United States of America. Our elected officials were elected to come up with real solutions to the complex problems facing our nation and they were elected into public office to serve and not to be served, they were elected to look out for the best interests of the people they serve and not pander to corporate America at the people's expense. They were elected to be the guardians of truth and justice for all and not just for a chosen few. They were elected into public office to

protect, strengthen and defend our rights and our freedoms and not just toss them in the trash every time things like a pandemic come blowing in the wind.

A Servant serves others and not themselves. A servant is a good Samaritan, neighbor and friend and not an elitist member of the aristocracy who only answers to those they choose.

The last person on our list is a King and even though we in America do not elect Kings and Queens do not ever think for a single second that kings and queens do not live among us all. Corporate giants and captains of industry live and rule as kings and queens in this country and do not think they don't. Some of these people rule with an iron fist. Cross them and you will pay dearly at minimum you will be fired and possibly blackballed just ask people in Hollywood who crossed the wrong person. America we do not want one of these kinds of people ruling over us, no way because they take and take and take at everyone else's expense including in some cases from their own family members.

Now there is One Person Who is a Servant and a King in a righteous Way the One Who laid down His life so we might be saved. Christ Yeshua came as our Passover Lamb. He came as a Servant to serve mankind in forgiveness, compassion and love for the glory of God. He paid the price for all of our sin debt by dying on a cross. He was in the tomb for three days and on the third day He rose again and was resurrected in all His Glory. While He walked this earth He was a Servant as the Lamb of God. He shall come again but this time He comes to us as a King, the Lion of Judah to judge the living and the dead.

Christ Yeshua is our true King, for He and He alone has the power to save, He and He alone conquered death. He and He alone should be the only One who truly rules over each of us for the glory of God.

Christ Yeshua is the Lamb of God and The Lion of Judah. He is The King of kings and The Lord of lords, He is The Way The Truth and The Life, He is The True Vine, The Light of the world, The Good Shepherd, The Sheep Gate, The Resurrection and The Life, The Bread of Life, He is The Alpha and the Omega, The First and The Last The Beginning and The End...Amen

Revelation 3:20-21

Behold I stand at the door knock if anyone hears My voice and opens the door I will come in to him and dine with him and He with Me, to him that overcomes I will grant to sit with Me on My throne as I also overcame and sat down with My Father on his throne.

Revelation 22:13 Christ Yeshua is coming

...¹²“Behold, I am coming soon, and My reward is with Me, to give to each one according to what he has done. ¹³[I am the Alpha and the Omega, the First and the Last, the Beginning and the End.](#) ¹⁴Blessed are those who wash their robes, so that they may have the right to the tree of life and may enter the city by its gates....

American Healthcare Sheep to The Slaughter

By Chaplain America 193 Sept. 19-20

6 am I was awakened by the nurse so she could give me a breathing treatment, a breathing treatment is where a hose is inserted in my tracheotomy and suction is applied to suck out the phlegm. It can be very painful and cause choking.

7am a staff member brings in my breakfast, I ask to be changed and the staff member tells me that he will inform the nurse. I eat my breakfast and an hour later someone comes to pick up my tray and as she is leaving I ask to be changed again, the staff member assures me that someone will be in soon to change me.

9:00 am I ring for the nurse and ask her to please send someone to change me. The nurse promises that someone will be in soon. 40 minutes later they come in to change me apologizing. What can I say, I look at them and say,

“It’s ok I understand how busy you all are. Can either of you please ask the social worker to come and talk to me I have some questions I would like to ask her?”

I’m told that the social worker will be by soon.

10 am a C.N.A. enters my room and informs me that the care center is now on lockdown because three staff members have the virus. I will have to stay in my room 24-7, She also informs me that all physical therapy is canceled until further notice which is bad news for me because I need that exercise so that my legs can be strengthened so I can walk, now this will put my progress way behind schedule.

11am The Activities Director comes to my room to set up a facetime visit with Chaplain Paul but tells me that we are going to have to cut it short because of the lockdown. So instead of the visit being for 45 min. it's only being allowed for 20 min.

12 noon, my lunch arrives and it's not what I ordered but I am so hungry I don't say anything about it then as soon as I am finished eating I have to have 4 hours of dialysis which knocks me out for the rest of the day.

6pm I am awakened by staff for suction and told that dinner will be coming soon, great, I realize I need to be changed again so I tell the staff.

8pm they finally come in to change me but the staff member manhandles me by forcing me to lay on my side and by flinging my legs to the side I explain to him not to do that because it gets poop on my bed sheets and on me.

The staff member gets annoyed and speaks very rudely to me I apologize because I do not want to be neglected by placing me last on the list to be changed.

9pm the nurse comes in my room and tells me that the doctor as ordered a shot of something I can not even begin to pronounce so I say,

“Sure, why not, go for it. After all it can't hurt, right?”

12 midnight I wake up from a horrible nightmare and I begin to see strange things flying around my room it scares me, I don't know what's going on. Three to Four hours later I finally get to sleep. The next day I am tired all day too tired to argue with anyone about anything.

Fact, the meds that this person received are designed to keep the patients awake at night with nightmares and hallucinations so that they will be tired during the day and thus be more easier to handle. Everything I wrote about in this story is true it happened one way or another with the patients I visit.

We are all next in line and unless we stand up and fight back for real healthcare reform in American Healthcare we will be the next ones being led like sheep to the slaughter in American Healthcare.... To be continued, sadly

The social worker after repeated asking finally showed up three days later.

God Bless You All from Chaplain Paul...John14:27

Barabbas The Insurrectionist

By Chaplain Paul Vescio 7-10-10

Why? That's the real question here, why did the Jewish people turn so quickly on Yeshua? Thousands welcomed Him to Jerusalem on the day He rode in on a donkey and then in less than one week He was crucified.

We know why the Pharisees wanted Christ crucified they were filled with jealousy and envy, they were in fear that the people were going to make Yeshua their King and in doing so would lose their sense of power and respect. They were outraged at Yeshua's claims to be the Son of God for their eyes had been blinded all for the glory of God, Amen. Yeshua was arrested for being an insurrectionist at least that's what the Pharisees claimed Him to be a threat to Rome.

Yeshua was arrested then an interesting thing happened, Pilate wanting to release Yeshua allowed a yearly custom at Passover, he presented a prisoner named Barabbas and asked the people who they wanted to be released. You see on Passover each year one prisoner is released at the request of the people.

Now the crowd having realized that Yeshua was not the one who was going to lead them out of oppression from Roman control chose with their worldly eyes Barabbas who they thought would be the better person to lead a revolt against their Roman oppressors.

Key point the crowd in the inner court was not a large crowd of thousands but most likely a few hundred people. Also it is important to remember many Pharisees supported Christ Yeshua in secret and the actions of a provoked mob does not reflect the actions of an entire nation of people. Nevertheless the people

who were there that day were being manipulated by satan it was being allowed in order to fulfill God's plan of salvation for the world through His Son's sacrifice on the cross at Calvary.

The Pharisees and the crowd were controlled by satan at that point, envy, jealousy, greed, anger, power and hatred. The choice in their corrupt eyes was very clear Yeshua had no value in their opinion they did not understand that He was and is our Lord and Savior, King of all kings and Lord of all lords Amen.

But wait let's dig a little deeper into all of this. God was in control of this whole thing, an innocent man took the place of a sinner and murderer so that we can see and understand just what Christ had done for all of us by taking our place on the cross so we can live on through salvation.

Taken from the book Fascinating People of The Bible Day 287.

It is completely right to be angry when we hear of such injustice being committed against Jesus an innocent man. Yet if we reflect on our own Salvation every believer has stood precisely in Barabas's place we being undeniably guilty in our sins have been released from our death sentence for no reason of our own it is simply by the gracious will of God and Jesus has been condemned and executed in our place from now on when you hear the name Barabbas praise God for the immeasurable grace he has shown every believer and Thank him that you though undeserving have been set free to serve Him, In Christ Yeshua's Holy Name we Thank You Lord for Your blessings and Love...Amen

Barabbas Part 2

Now the crowd seeing Barabbas saw with their worldly eyes someone who could lead them out of Roman occupation and oppression. Look at it this way, let's say that something like this happened today and pilot placed a homeless man being a believer in Christ and Donald Trump before the people and said,

"And who is it you want me to free this day?"

The worldly would choose Donald Trump believing that he holds the financial means to solve all their problems and free them from the oppression of debt. Put in reality, what does it matter if a man gain the whole world and yet lose his very

soul? The homeless man who in this case is a Pastor is the right choice because he can lead the people to being in a personal relationship with Christ Yeshua and onto Salvation. In other words, the homeless man can lead them into Salvation through a personal relationship with Christ our Lord thus freeing them from the slavery and oppression of sin and death eternal Amen.

let's take off our worldly sunglasses that cloud and distort the Word of God and lets put on our Spiritual contact lenses so we can begin to see the face of Christ and see the world through His eyes more clearly... Amen

Barabbas means son of father and in his case the son of the father of lies satan.

Christ Yeshua is the Son of Father God, Yeshua means God's is salvation.

We all start out like Barabbas believing and serving the wrong father but by grace through faith we are saved and then praise God we become the sons and daughters of the living God of Abraham Isaac and Jacob.

(Note on Donald Trump we can not buy our way into Heaven only by faith in Christ Yeshua are we saved by the grace of God...Amen John 3:16

This was written in 2010 way before Donald Trump became President something to think about. Like who would we as a nation rather have leading us?

Castaway

By Chaplain America 193 9-22-20

When we first come into this world we are all wide eyed with imagination and wonder as a world of new discovery is around every corner. Then as we grow we reach a point in life where we set sail in charting our own destiny for the glory of God.

We now find ourselves as the Captains of our own ships as we go about sailing across the vast expanse of wide-open spaces and it is in this moment of time that we reach for the stars.

Soon our ship begins to grow with the arrival of a First Mate then within a few years two or three little sailors come aboard. Our ship is now full as it basks in the warmth of the Son's blessings and love.

O but now many years later dark storms did arrive and sadly my First Mate went home to be with the Lord. My little crew of sailors are now all grown up and are the Captains of their own ships. Then one stormy night I find myself shipwrecked on a deserted island called North Mountain.

Alone and broken I sit shipwrecked each day, O Lord I never thought in my wildest dreams that I would be in this place shipwrecked and broken. With each passing day I am alone without visits and without the love of my family to lift me up and to encourage me. O Lord please send me a rescue ship someday.

About a year went by, day after day I prayed to be rescued, I prayed that a rescue ship would soon come my way. Then what do I see? A ship, a ship, praise God, it looks like the USS CHAPLAIN is coming my way, O thank you Lord, thank You Lord...Amen

The Sea is Stilled Matthew 8:23-27

Now when He got into the boat His disciples followed Him and suddenly a great storm arose on the sea so that the boat was covered with the waves. But He was asleep. Then the disciples came to Him and awoke Him saying, "Lord save us! We are perishing!"

But He said to them, “Why are you fearful? O you of little faith.” Then He arose and rebuked the winds and the sea and there was a great calm. So the men marveled saying, “Who can this be that even the winds and the sea obey Him?”

John 14:6 I Am the Way the Truth and the Life no one comes to the Father except through Me...Amen

COMFORT ONE ANOTHER

By Chaplain Paul 193 9-29-20

2 Corinthians 1:3-7 Blessed be the God and Father of our Lord Yeshua Christ the Father of mercies and God of all comfort. Who comforts us in all our tribulation that we may be able to comfort those who are in any trouble with the comfort with which we ourselves are comforted by God. For as the sufferings of Christ abound in us so our consolation also abounds through Christ. Now if we are afflicted it is for your consolation and salvation which is effective for enduring the same sufferings which we also suffer or if we are comforted it is for your consolation and salvation. And our hope for you is steadfast because we know that as you are partakers of the sufferings so also you will partake of the consolation.

Our pain is our ministry. What this means is the sufferings that we have gone through or are now going through and the way we get through it through our faith in Christ can best help others around us who are going through the same kind of suffering.

Think of it like this, if I am diagnosed with prostate cancer, I can best be ministered to by someone who has gone through having had prostate cancer. They can tell me all the ins and outs of treatments and how their faith got them through each day as they go along the way.

We can bring great comfort and peace of mind to those around us by reaching out and helping others in sharing our testimonies of how we got through the storms of life through our faith, hope and trust in God. We can help in sharing our

experiences so the storm that others are now facing won't be so bad because they have us to help see them through it.

John 14:27 Peace I leave with you My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.

Isaiah 41:10 Fear not for I am with you, be not dismayed for I am your God, I will strengthen you yes I will help you, I will uphold you with My righteous right hand.

Jeremiah 33:3 Call to me and I will answer you and show you great and mighty things of which you do not know...Amen

FISH FOOD

By Chaplain Paul 9-15-20

When we enter into American healthcare especially when we spend time in a hospital we have the pleasure of being visited by a swarm of specialists who come in our room with great big smiles on their faces and tell us that we should submit to the myriad of tests they want to give us. Their biggest selling point is,

“Well it's better to be safe than sorry.”

I thought about this for years, “It's better to be safe than sorry.” And my answer to them is,

“It's better to be at peace then to go thru the added stress of your unnecessary tests by turning me into a human pin cushion for profit and greed.”

These so called Specialists are called Specialists because they are specialists at removing our money from our bank accounts and putting it in theirs. No wonder why these leaches come smiling in our face.

The fact is we are to know our illness by doing the research on what the best treatment is for each of us because it can be different for each of us. Doing the research on how to proceed and what treatments and tests we should get will save each of us a world of grief.

Now what's with the fish food title? You must be asking. If we go into American healthcare like naïve little children by placing blind trust in our healthcare providers then we run a real risk of being led like sheep to the slaughter for profit and greed. We become like fish food as a steady stream of healthcare leaches come swarming into our hospital room telling us that their tests are needed because after all,

“It's better to be safe than sorry.”

Tell them that you first have to discuss the matter with your family then do some real research and do what's best for you and for your family. Then choose the tests that are most needed for your particular illness or condition. Trust me you do not need all of their tests. They are pros at selling us fear in a bottle and we buy into their sales pitch like naïve little children.

This is a book I wrote about these matters and how we can best protect ourselves in American healthcare... It's FREE as a PDF file on my website at

miracles of kingman .com

Be smart in order to be safe, and always remember,

“If we are educated we are equals and if not we are victims.”

It's that simple, I share this info out of experience, you see my family was ripped off, lied to and taken advantage of in the worse way by The Great American Healthcare House of Horrors and Greed... May God Bless You and Your Family...

For Believers in Christ There Is Real Comfort and Hope in The Rapture

By Chaplain Paul 9-19-20

1 Thessalonians 4:13-18 But I do not want you to be ignorant brothers and concerning those who have fallen asleep least you sorrow as others who have no hope. For if we believe that Christ Yeshua died and rose again even so God will bring with Him those who sleep in Christ. For this we say to you by the word of the Lord that we who are alive and remain until the coming of the Lord will by no means perceive those who are asleep. For the Lord Himself will descend from Heaven with a shout with the voice of an Archangel and with the trumpet of God. And the dead in Christ will rise first, then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and thus we shall always be with the Lord. Therefore comfort one another with these words.

Mathew 24: 27-31 For as lightning comes from the East and flashes to the West so also will the coming of the Son of Man be. For wherever the carcass is there the eagles will be gathered together. Immediately after the tribulation of those days the sun will be darkened and the moon will not give its light the stars will fall from Heaven and the powers of the heavens will be shaken. Then the sign of the Son of Man will appear in Heaven and then all the tribes of the earth will mourn and they will see the Son of Man coming on the clouds of Heaven with power and with great glory. And He will send His Angels with a great sound of a trumpet and they will gather together His elect from the four winds from one end of Heaven to the other.

Luke 17:32-37 "Remember Lot's wife"

Whoever seeks to save his life will lose it and whoever loses his life will preserve it. I tell you in that night there will be two people in one bed the one will be taken and the other will be left. Two women will be grinding together the one will be taken and the other left. Two men will be in the field the one will be taken and the other left. And they answered and said to him, "Where Lord?"

So he said to them, "Wherever the body is there the eagles will be gathered together.

Matthew 24:27 For as lightning that comes from the east is visible even in the west, so will be the coming of the Son of Man.

In troubling times there is real comfort in the rapture. Believing that there is a possibility of us being raptured is like a sigh of relief. When social media and the news and the gloom and doomers beat the never-ending drum beat of,

“The end of the world is coming soon.” Or nuclear war is coming, or an asteroid is going to hit the earth then find real comfort in the rapture.

“Hey mom, did you hear the news, an asteroid is heading earth’s way and it could mean the end of the world.”

“Son, that may be so, but I have faith that as believers in Christ Yeshua we will all be raptured so don’t let satan steal your joy by filling your mind with all this end of the world stuff. Place your faith, hope and trust in Christ our Lord for His word says that He will never leave us nor forsake us.”

“Ok Mom, I understand what your saying and you know what I feel much better about things.”

“John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

LIFELINE

By Chaplain Lifesaver 9-3-2020

This attitude of it's all in God's hands and we should just sit idly by and do nothing where American healthcare is concerned is totally ridiculous. Let me ask you a question, if you went on a Alaskan cruise and someone fell off the ship are you going to tell me you would just sit there and do nothing and just watch saying "O well, it's all in God's hands." No, you would run and grab a lifeline and toss it to them. I mean really, let's be real about this now.

Right now there are millions of poor suffering souls drowning in a sea of worry, doubt, fear, depression, despair, anxiety, suicidal thoughts and total hopelessness. These poor people are crying out to us, they are begging us to toss them a lifeline and pull them back into a positive healthy state of mind.

Sadly most believers in Christ are just looking over the side of the ship doing nothing but proclaiming that it's all in God's hands. Maybe we as believers are the hands and the feet of Christ Yeshua. We are Christ in Skin to these poor suffering abandoned, neglected, people.

Yes there are times when we can do nothing about a certain issue in our lives and all we can do in those moments is give it to God in faith but this is not one of those times not by a longshot and just like helping someone who has fallen off a ship we as believers in Christ have got to step up and do more for our Brothers and Sisters in Christ who are drowning in a sea of misery in nursing homes, care centers, medical rehabs hospitals etc

What can we do to help? Call the Activities Director at any health care facility and offer your assistance. this could be done by offering books, Bibles, arts and crafts cell phones, Tablets so that the patients can FaceTime with their loved ones, you can even donate a laptop, clothing, eyeglasses, hearing aids, gift cards, hygiene products, stuffed animals, games, stationary or whatever supplies are needed. All of these things can be purchased on Amazon and shipped directly to the healthcare facility. We can also offer prayer and our time talking the patients on the phone. All of these things can be very easily arranged with the Activities Director of each facility.

What are most of the patients asking God right now,

“Where is Christ in Skin?” The answer to their prayers is, We are all right here ready to help... John 14:27

LIFE’S PASSING STORMS IN TOUCH DEVOTIONAL MAY 27 2020

From Chaplain Paul

Everyone experiences storms in life occasions that bring pain suffering or loss, it's in turbulent times that all sorts of questions come to mind. Where is God? Why has this happened? Was it something I did? Did God cause it, and if so why? When we find ourselves in tumultuous times the safest place to go for answers is God’s Word.

The literal storm described in today's passage provides insight regarding the Lord's role in the various upheavals we face. According to verse 25 God was responsible for this storm as he was the One who raised the winds and waves that frightened the sailors.

Sometimes the Lord interrupts our life by sending turbulence so we will do what those sailors did in their misery and helplessness they cried for God's help. He then bought them out of their distresses by calming the storm and guiding them to a safe haven. In response they thanked the Lord for his loving kindness and wondrous deliverance and praised Him to other people.

There's nothing like a sense of relief that comes when a storm is passed. But let's not forget to respond like those grateful sailors.

Psalms 107

Oh give thanks to the Lord for he is good for his mercy endures forever. Let the redeemed of the Lord say so whom He has redeemed from the hand of the enemy. And gathered out of the lands from the East and from the West from the North and from the South.

They wandered in the wilderness in a desolate way they found no city to dwell in. Hungry and thirsty there so fainted in them. Then they cried out to the Lord in their trouble and He delivered them out of their distresses. And He led them forth by the right way that they might go to the city for a dwelling place.

Oh that man would give thanks to the Lord for His goodness and for His wonderful works to the children of men for He satisfies the longing soul and fills the hungry soul with goodness.

Those who sat in darkness and in the shadow of death bound in affliction and irons because they rebelled against the words of God and despise the council of the Most High, therefore He brought down their heart with labor they fell down and there was none to help. Then they cried out to the Lord in their trouble and He saved them out of their distresses. He brought them out of darkness and the shadow of death and broke their chains and pieces. Oh that man would give thanks to the Lord for His goodness and for His wonderful works to the children of men!

For He has broken the gates of bronze and cut the bars of iron in two. Fools, because of their transgression and because of their iniquities were afflicted. Their soul abhorred all manner of food and they drew near to the gates of death. Then they cried out to the Lord in their trouble and He saved them out of their distresses.

He sent his word and healed them and delivered them from their destructions. Oh that man would give thanks to the Lord for his goodness and for his wonderful works to the children of men. Let them sacrifice the sacrifices of thanksgiving and declare His works with rejoicing.

Those who go down to the sea in ships who do business on great waters they see the works of the Lord and his wonders in the deep. For he commands and raises the stormy wind which lifts up the waves of the sea. They mount up to the heavens they go down again to the depths their soul melts because of trouble. They reel too and fro and stagger like a drunken man, and are at their wits end.

Then they cry out to the Lord in their trouble and he brings them out of their distresses. He calms the storm so that its waves are still. Then they're glad because they're quiet so he guides them to their desired haven.

Oh that men would give thanks to the Lord for His goodness and for His wonderful works to the children of men. Let them exalt Him also in the assembly of the people and praise Him in the company of the elders.

He turns rivers into wilderness and the water springs into dry ground a fruitful land into bitterness for the wickedness of those who dwell in it. He turns a wilderness into pools of water and dry land into water springs. There He makes the hungry well that they may establish a city for a dwelling place and sow fields and plant vineyards that they may yield a fruitful harvest. He also blesses them and they multiply greatly and He does not let their cattle decrease.

When they are diminished and brought low through oppression affliction and sorrow he pours contempt on Princes and causes them to wander in the wilderness where there is no way yet he sets the poor on high far from affliction and makes their families like a flock. The righteous see it and rejoice and all iniquity stops its mouth.

Whoever is wise will observe these things and they will understand the lovingkindness of the Lord...Amen

Lifted Up onto Glory With Compassion and Love

By Chaplain Paul 9-5-2020

Right now, in American healthcare end of life issues are horrifying at best. Most patients are having to go it alone without the hands-on support and love of family and Clergy. Patients are dying all alone or at best surrounded by total strangers. There is a better way at least for believers in Christ. Churches investing in buying and building nursing homes, care centers, medical rehabs and group homes. Then they staff them with compassionate Christian doctors and nurses and staff members. Then the Church encourages the Body of Christ to volunteer in being caregivers and compassionate volunteers.

Believers in Christ can be trained as Chaplains and then when we enter into end of life issues we can be assured of being lifted up onto glory surrounded by caring, loving compassionate believers in Christ, Now instead of dying all alone we are surrounded by the love of the Body of Christ, now instead of dying filled with loneliness, worry, doubt , fear, anxiety, depression and having our life savings stripped away from us right before our eyes now we are at peace knowing that God has provided for all our needs.

It's time to put the love of Christ back in end of life issues for the glory of God...Amen John14:27

A Matter of Time

By Chaplain Paul 9-1-2020

Our priorities are based on how much time we will spend doing or achieving a certain goal. Such as what do we spend the least amount of time doing each day? That would translate to being the least of our priorities. What do we spend the most time doing each day? That would translate into being our most important priority. I would say working and sleeping make up most of our time, If we work 8 hours a day and we sleep 8 hours a day that only leaves 8 hours. What is the most important thing we do in that 8 hours meaning what do we apply most of our time doing with what little spare time we actually have?

If we subtract things like cooking and eating and driving and shopping and running errands and such we whittle away at what little spare time we have then if we subtract chores and school and caring for our pets and our children then we actually have very little time left over.

When we get right down to it, what is truly important in life? What does the Word of God teach us? What is Christ Yeshua commanding us to do with our time? Yes we are to read and study His word, and yes we are to go to Church to worship, fellowship and get Spiritually uplifted. But what is really important in life?

The answer has to do with how much time we will spend. If time is a currency and the more time you have the richer you are then at some point we will be given all the time there is. The amount of time each of us will one day be given is unending and infinite. If we realize that time is a currency and if we invest a certain amount of time here on earth building up our Heavenly currency through our relationship with Christ our Lord then we are guaranteed an endless amount of time in a better place.

Our most important priority in life is our salvation because that will determine where we will spend our time. With salvation we will spend an endless amount of time in Heaven with Christ Yeshua and without having salvation through Christ Yeshua we will spend an endless amount of time in hell, outer darkness, all alone, a place void of light, void of love, void of any compassion or comfort, a place of

absolute horror and misery and torment 24-7 for all eternity. What does this amount to? If you took one drop of water out of the ocean every thousand years until it was empty that doesn't even come close to the amount of time we will one day spend in eternity. It's not worth the risk there is too much evidence in proving there is an afterlife of some kind. There are documented cases of out of body experiences and aberrations. There are documented cases of people who have died and came back.

Over the years I have met people who have died and went to Heaven and I have met people who have died and went to hell. I have met people who died and remember nothing, I have met people who have died and met a family member who told them that it wasn't their time yet. For those who would say it isn't true my question to you is, "How could you be so sure it's not true if you yourself have never died?"

If we are not devoting most of our time in seeking God and in leading people to Christ and in reading His Holy Word and in serving Christ Yeshua by reaching out in helping others then what does that say about our priorities and what does that say about ourselves? Are we spending more time chasing after money, power, fame and the comforts of life or are we chasing after the living God through His Son Christ Yeshua?

If you are unsaved try chasing after God by inviting His Son Christ Yeshua to come in to your life and see what happens next, you have nothing to lose and everything to gain. What will you gain? You will gain an endless amount of time one day spent in a place called Heaven with our Savior Who laid down His life for you because He Loves you that much.

John 3:16 For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life...Amen

At this point our greatest priority as believers in Christ Yeshua should be leading the lost to salvation because salvation through Christ Yeshua holds the key to where a person will one day spend all their time.

Minutemen

By Chaplain Paul 7-12-2020

How many minutes are there in a day, how many minutes a day do you take the time to pray? God has given us His gift of the day, I ask you, what will you do with all of your minutes today?

One minute Isn't much time at all but believe me when I tell you there is a lot we could still do in a single minute. To say, "I love you." Takes only three seconds of our time and if we say it three times within the time span of a single minute, we still have 51 seconds left to do so much more

Next, we can tell someone, "I appreciate you." There that wasn't so hard and if we say these encouraging three words five times to those around us we still have plenty of time left over in our single minute. Now let's see, five times three equals fifteen so now we have 36 seconds left over and we are doing just fine.

In that case what do you say we do some more? Like telling someone,

"I forgive you." Three little words that pack a powerful punch and if we tell three people that we forgive them then we still have 29 seconds left over. Now we are ready for two words that mean a lot and if we say them quite often it really makes a person's day, the two words that lift us up are, "Thank You" and if we say these two powerful words 7 times we still have 22 seconds left over. Now let's see what else we can say from here?

O I know of a word that means a lot and if we say this word 5 times we will still have 17 seconds left over, the word that touches our heart is, "Sorry" because it means a lot.

We now have 17 seconds left and believe it or not we could still touch someone's life within the time span of 17 seconds. These next 4 words can actually make someone's day when we take the time to walk over and say, "Do you need help?" Surely we have the time in giving someone in need the time of day lets seek to ask these words throughout our day but since we have very little time to spare lets say these 4 words twice and that will bring us to 9 seconds left in our single minute.

Now with only 9 seconds we need to thank the One Who gave us His gift of time so the final 9 words in our minute should always be,

“Thank You Abba Father for Your Blessing and Love.”

Incredible that these 9 words fit perfectly it was unplanned, I wrote this free hand. You see God knew way before I sat down to write this today He knew exactly what I would write and for how long. It is because He is guiding my thoughts and the things that I write. It blows my mind because God is out of sight.

Hebrews 11:1 Now faith is the substance of things hoped for the evidence of things not seen.

We do not see Abba Father, the Holy Spirit or Christ Yeshua in the flesh but we see the evidence of their handiwork all around us each day.

Because we walk by faith and not by sight, faith comes by hearing and hearing comes by the word of God...Amen Romans 10:17

We do not see Abba Father, the Holy Spirit or Christ Yeshua in the flesh but we see the evidence of their handiwork all around us each day.

IF ?

Our Light at The End of The Tunnel

By Chaplain Paul 9-25-20

Long dark tunnel getting darker by the minute even to the point of not being able to see a single thing. What next? I shudder to think about it, should I turn around, but I can't, I must move forward, scared, worried, and all alone. There are sounds all around me, I can see shadows walking by one even stops to say, "Hi"

Time moves ever so slowly for within this dark and lonely cave as I cry out to our Lord to be saved. Day after day slowly goes by as I sit in this dark and lonely place and I begin to cry.

Then just when I feel I just can't go on, what's that, a tiny twinkle of a light. It's so small yet I have renewed hope and with each passing day as I sit here and pray the light becomes brighter and brighter until one day the light casts all of the darkness away.

Then a hand reaches out and takes a hold of mine, I look into the face of a very kindhearted soul and I begin to cry. The man says he has been sent by our Lord Christ Yeshua to brighten up my day, then he invites me to bow my head and we begin to pray. Suddenly we each felt the peace and the love of Christ as the Spirit of God filled the room. I see the light, praise God for Christ Yeshua is our light at the end of a long dark tunnel Amen.

John 8:12 And Christ Yeshua said, "I Am the Light of the world. He who follows Me shall not walk in darkness but have the light of life.

Isaiah 42:5-9 Thus says The Lord Who created the heavens and stretched them out, Who spread forth the earth and that which comes from it, Who gives breath to the people on it and spirit to those who walk on it. "I the Lord have called you in righteousness and will hold your hand; I will keep you and give you as a covenant to the people as a light to the gentiles to open blind eyes to bring out prisoners from the prison. Those who sit in darkness from the prison house. I am the Lord that is My name and My glory I will not give to another nor My praise to carved images. Behold the former things have come to pass and new things I declare before they spring forth I tell you of them." Amen

Pressed Not Shaken for the Glory of God

Found on Face Book and sharpened by Chaplain Paul Sept. 2020

Grapes must be crushed to make wine. Diamonds form under pressure. Olives are pressed to release oil. Seeds grow in darkness. Whenever you feel crushed, under pressure, pressed or in darkness you're in a powerful place of transformation for the glory of God, trust the process...Amen

Sometimes we are meant to first walk through the darkness so we can better appreciate the Light. John 3:16

Sayers and Doers

By Chaplain America 193 9-20-20

Sayers and Doers is not a law firm from New York City and Doers is not a scotch, Sayers and Doers refers to people as in that some say or just hear and some actually do things as in they do what they say.

Sayers say a bunch of stuff but rarely do anything about what their talking about. I think you know what I mean these people will watch the news then complain about things until the cows come home then they will complain about the cows coming home.

Sayers are all about telling other people how they should live their lives and yet do not practice what they preach. Sayers talk the talk but do not walk the walk. Sayers sit on the sidelines as the Doers do all the work. It's very, very sad indeed.

Well thank God there are real Doers in this world, good, honest, compassionate, hardworking righteous men and women Doers of God. Now just to be clear there are good and bad Doers in this world. Good Doers are eager in doing what is taught to us in the Word of God. Bad Doers seek only to serve satan and

themselves in ruling the day. Bad Doers are filled with hate, unforgiveness, selfishness and greed just to name a few. Bad Doers do not want to have any part of being Good Doers like you and me.

Good Doers treat others as we ourselves would want to be treated, Good Doers are compassionate, helpful and kind. Good Doers forgive others, pray for others and place Service Above Self in reaching out in helping others for the glory of God.

Seek to be Good Doers through a meaningful relationship with Christ our Lord.

Christ Yeshua is the Good Shepherd Who leads the Good Doers onto everlasting life... John 3:16 John 10:11-18 The Good Shepherd

James 1:19-25 So then my beloved brother and let every man be swift to hear slow to speak slow to wrath for the wrath of man does not produce the righteousness of God. Therefore lay aside all filthiness an overflow of wickedness and receive with meekness the implanted word which is able to save your souls. But be doers of the word and not hearers only deceiving yourselves. For if anyone is a hearer of the word and not a doer he is like a man observing his natural face in the mirror for he observes himself goes away and immediately forgets what kind of man he was. But he who looks into the perfect law of Liberty and continues in it and is not a forgetful hearer but a doer of the work this one will be blessed in what he does...Amen

THE HOTLINE FOR POSITIVE CHANGE

By Chaplain America 193

I have been contacting my elected officials lately and what I found out is shocking, everyone I talked to so far had no idea that patients in America healthcare providers were being denied visits by members of the Clergy. What this tells me is our voice does matter. If we don't tell them then they don't know it's that simple. I am the first one to admit that at times I used to say,

“What's the point? No one cares. Why waste my time calling or writing or e-mailing my elected officials it's not worth it.”

I'm here to tell all of you it's worth it, we have got to at least try. You might be the only one calling about a certain issue like I am, your phone call or letter or e-mail might be the tipping point for positive change in America.

I have been fighting for a pathway to safe, compassionate visitation in American healthcare for months it sucks out loud but what sucks even more is the thought of someone I love having to face the horrors of American healthcare all alone with no one by their side. So the fight goes on, and on, and on until hell freezes over as far as I'm concerned.

Please pick up the phone and call your elected officials and tell them what your concerns are, tell them what is needed and give some input on how to achieve those goals for the betterment of us all, I will be the first one to admit that politics sucks but I am who I am and as a Chaplain of God and as a healthcare activist and someone who has been hurt very badly by America's health care system of profit and greed I have no choice but to fight because I could never look myself in the mirror ever again if I don't. There has been too many people I love who were rapped by the system and for their sake I fight, and for those who are suffering in nursing homes, care centers, medical rehabs and the like who do not have a voice I fight, if you want to join the fight please take out your cell phone and call your elected officials and tell them your concerns you might be the only one that does. God Bless You All from Chaplain Paul John 14:27

Margaret Mead- Never doubt that a small group of thoughtful committed citizens can change the world indeed it's the only thing that ever has.

Being an activist isn't about making a big splash all at once it's about making a little splash that in time becomes a powerful wave of positive change in the world. Chaplain Paul

THE JERK

By Chaplain America 193 9-13-20

We all know at least one or two jerks in life. The jerk can be described as a naïve fool who believes just about everything their told, except for the truth that it. A jerk will always judge a book by its cover without even taking the time to first read the contents of its pages.

The jerk is a know it all who in all reality knows very little at all. The jerk is a selfish, greedy, inconsiderate, uncompassionate, self-centered, spoiled, sad, sad, state of a human being that is for sure and who could care less about those who are hurting and suffering in this world.

Sadly, many jerks like to run for public office because they thrive on attention, power and fame. The fact is no matter how much money, power and fame a person has it doesn't really matter because it's about what's on the inside of a person that determines whether they are a jerk or not'

You see it's about what's in a person's heart on the inside and not what we see on the outside that truly matters in life.

1 Samuel 16:7 But the Lord said to Samuel do not look at his appearance or at his physical stature because I have refused him. For the Lord does not see as man sees for man looks at the outward appearance but the Lord looks at the heart.

The person with power, money and fame may on the outside seem to be very successful in life but on the inside, they are actually very poor indeed. Then there's the homeless man with a heart of gold reaching out in helping others with kindness, compassion and love of Christ, on the outside he may appear to be just a bum without nothing at all but what really matters is what or I should say Who is on the inside that truly matters in life.

God looks at the heart of a person, for with a heart for Christ Yeshua one receives the love, forgiveness, competition and the salvation of Christ through the Holy Spirit then we can't help but not to be a jerk anymore. You see I was a jerk, I was that selfish, greedy, power hungry jerk and it wasn't until I truly gave my life to Christ Yeshua in genuine repentance and love that I was given the power and the realization of just how big of a jerk I really was.

O sure the jerk in me still comes around from time to time but when he comes to the surface, I knock him to the ground and I tell him,

“Hey jerk, we don't need you coming around anyhow!!!!!!”

It's by God's grace thru faith that we are saved from being a bunch of jerks in life, and it's thru the love of Christ that we become new creations of compassion, hope and love in reaching out in helping others for the glory of God...Amen

Ephesians 2:8 For by grace you have been saved through faith and that not of yourselves it is the gift of God.

2 Corinthians 5:17 Therefore if anyone is in Christ he is a new creation old things are passed away behold all things have become new.

John 3:16 For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life...Amen

THE LOVE OF FAMILY

By Chaplain Paul 6-7-2020

I woke up today not feeling so good and as time went by, I got increasingly worse. At some point I could hardly breathe, so my family took me to the hospital. When we arrived, we were told that only one person could come into the emergency room. I was very grateful that at least my wife would be by my side to ensure that my healthcare wishes were honored, and just having her there to hold my hand helped in calming me down.

About two hours later I was admitted to the hospital, my wife was told she could not go to the room to be by my side, we looked at each other and said, "I love you." As we both began to cry. Later that night I got worse and lost consciousness and was placed on a ventilator against my wishes. You see years ago my wife and I had medical directives drawn up but in all the rush and confusion of getting to the hospital we had forgotten to bring them.

In the days that followed medical mistakes were made in my case that if my family members had only been allowed to be by my side those mistakes would have been greatly prevented.

Four days later I regained consciousness but I could not speak, I could hear my wife and children telling me that they love and miss me but I could not tell them my concerns about the quality of care I was receiving.

Two weeks went by and finally I began to speak again, I called my wife and told her I loved her, I was able to tell my children I love them too but sadly that's all I was able to do.

I was too weak to tell them about the mistakes that my healthcare providers had made and now an infection caused by a contaminated IV had tragically gone septic and I began to fade away. At some point my family was notified that I might not make it through the night. My wife demanded to be let into the hospital to be by my side but her cries for compassion and love were flatly denied. My children and my wife called the Pastor of our Church, Pastor Wayne Basye and asked him if he could please go to be by my side and administer Last Rites but he too was flatly denied.

In total desperation my wife placed a call to the hospital Chaplain but his phone went to voice mail so my wife left him a desperate plea, then she gathered my family together, they all held hands in a circle and started to pray,

“O Lord please watch over Daddy, please O Lord help him to get through the night, please Lord help heal our poor father with Your Heavenly Light.”

At 3:00 am I passed away all alone without the love of my family standing by my side because the family I love was forced to stay outside. I ask you America how would you feel, surely a pathway to safe visitation should have been created by now. To the American healthcare providers, Love of family should always come first, to deny patients and their family members visitation and to receive Last Rights and bedside prayer by Clergy of our choice is immoral and very cruel and inhumane treatment at best.

America it's time for a change, it's time that American healthcare providers had a complete change of heart because their cruel healthcare policies all in the name of safety is tearing American Families apart.

Revelation 21:4 And God will wipe away every tear from their eyes there shall be no more death, nor sorrow, nor crying. There shall be no more pain for the former things have passed away Amen. John 3:16 John 14:27

“O Lord please watch over Daddy, please O Lord help him to get through the night, please Lord help heal our poor father with Your Heavenly Light.”

The Never Ending Hands Of Time

By Chaplain Paul D. Vescio 1-17-12

Look deep into the painted looking glass of life and you will see the ever-changing spinning wheels that surround our world because of the never-ending hands of time.

For it was precisely at the right moment, a flash of light and suddenly you were born. The hands of time were there watching as you took your very first breath of life. And with that first breath your life clock began ticking forward in time.

Nursing became crawling, crawling became walking, walking became running and running became jumping. The hands of time brought you slowly through grade school then high school and on through college. Soon you were dating and working, the hands of time brought you through ups and downs as you rolled through the peaks and valleys of life.

Then suddenly now married the hands of time grew feathers and wings and flew through two children, your twenties and thirties flew into your forties and fifties in the flash of an eye.

Then at sixty becoming grandparents began a whole new chapter in time for your life. Happiness for a moment then flash now seventy, the feathers now began to fall away and soon the wings of time were gone too as you flew on into your eighties.

Now time seemed to stand still as you find yourself spending day after day alone in a place called Mount Zion Care Center. The minutes of your life now seem like hours and hours like days, and days like weeks.

“O how I wish for a slice of yesterday.”

And then one day the hands of time were replaced by the hands of Christ Yeshua and suddenly there was peace, joy, and love in your life once again for all eternity in a place called Heaven...Amen

John14:27 And Jesus said,
“Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled nether let it be afraid...Amen

The Next Best Thing In Life

To Court Love Dad Sept 28-20

It seems we are always chasing after the next best thing in life, we want something or we're constantly working on achieving our goals but when we finally reach the finish line we are not satisfied with our accomplishments, we want and you guessed it, we want the next best thing in life. We no sooner finish one thing and it's off chasing after another.

The Bible teaches that we need to enjoy the fruits of our labors and chill out for a few. The fact is with all of this chasing the real question becomes,

“Where are you going?”

“ON YOUR MARK, GET SET GO!!!!!!!!!!!!!!.....”

And the race is on, I want to finish Kindergarten, I want finish grade school, I want to finish high school, I want learn to drive, I want a car, I want a boyfriend or a girlfriend, I want to finish college, I want to career, I want to move out, I want to make a pile of money, I want to get married, I want to buy a home, I want to start a business, I want to have children, I want my children to be successful, I want grandchildren, I want, I want, I want, I want, I want, I want, and I want until the cows come home. And in the end the question becomes, “Where are you going?”

The Bible teaches us, And what would a person gain if he received the whole world and yet loses their soul and what would a person give in exchange for their soul?

Where we wind up in the after life is far more important then where we wind up in this life as in the here and now.

The most important Next Best Thing in this life is the next best thing of salvation through Christ Yeshua our Lord. He and He alone is the Light of the world, He is The Way The Truth and The Life, He is The Good Shepherd, He is The Sheep Gate, The Bread of Life, The True Vine, He is the Resurrection and the Life, He is our Passover Lamb, He is the Lion of Judah, He is the Alpha and the Omega, the Beginning and the End, the First and the Last, Christ Yeshua is King of kings and

Lord of lords and He shall come again in all His glory to fulfill the promises of God...Amen

Christ Yeshua is THE NEXT BEST THING IN LIFE BECAUSE HE AND HE ALONE IS THE WAY THE TRUTH AND THE LIFE....Amen

John 3:16 For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life.

Revelation 3:20-21 Behold I stand at the door and knock if anyone hears My voice and opens the door I will come in to him and dine with him and he with Me. To him who overcomes I will grant to sit with Me on My throne as I also overcame and sat down with My Father on His throne.

The Stones of Sorrow

By Chaplain America 193

As I walked with the Lord Christ Yeshua from yesterday on to today and into tomorrow, I listened intently as He spoke of a parable The Stones of Sorrow and with a smile He reached down to pick up a little white stone that He had found then He placed the stone within my hand so that He might help me to truly understand.

And just when I was about to ask the question, "Why" It was at that very moment He began to look deep within my eyes. Then the Lord gave thanks and said,

"Today I'm taking you on a journey in search of the stones of sorrow so that between the two of us we might offer them a brighter tomorrow.

"Who or what are the stones of sorrow Lord?" I asked

Then the Lord looked at me and said,

"You see child, first you need to know what they are not so you can begin to truly understand, now take out the stone I gave you and hold it in your hand. The stones of sorrow are not what you may think they are, they are not those of the ground and you won't find them on the moon floating high in the sky, you see child the stones of sorrow are all of the brokenhearted with tears of great sadness in their eyes. They have hardened their hearts because they're filled with great sadness and pain, you see they've lost all hope of a brighter tomorrow because of all their despair and sorrow. And as we walked together, I suddenly found myself standing with the Lord beside a very tall mountain. This is where you and I must go in order to bring a peace, and a hope, and a love to all the stones of sorrow.

Then Christ Yeshua continued to say,

"For within these North Mountain walls are the many beds were all of the broken hearted and suffering rest their weary heads. This is where staff, family members and patients who are the stones of sorrow need to know there is a hope in Christ Yeshua for an even brighter tomorrow Amen

Revelation 2:17 He who has an ear let him hear what the Spirit says to the Churches. To him who overcomes I will give some of the hidden manna to eat and

I will give him a white stone and on the stone a new name written which no one knows except him who receives it.

Revelation 3:5 He who overcomes shall be clothed in white garments and I will not blot out his name from the book of life but I will confess his name before My Father and before His angels.

Revelation 21:4-6 And God will wipe away every tear from their eyes there shall be no more death nor sorrow nor crying. There shall be no more pain for the former things have passed away.

Then He who sat on the throne said, "Behold I make all things new." And He said to me, "Write for these words are true and faithful." And He said to me,

"It is done, I am the Alpha and the Omega, the Beginning and the End, I will give of the fountain of the water of life freely to him who thirsts."

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

The Weary Soldier

By Chaplain America 193 9-24-20

I'm a soldier in C's Army, my unit was deployed to go in and rescue a group of people who were being held against their will, you might even say that these poor souls were in desperate need of being liberated from their captivity.

I along with 3 other men volunteered for this very important mission. On Nov, 20th 2011 we received our marching orders and off we went, we would parachute in with the 316 Dream Center Infantry Unit.

Our drop zone was a region called North Mountain and as we flew over North Mountain we parachuted in. Upon arrival the enemy was waiting for us and we encountered a lot of flak, it was brutal hand to hand combat as we pushed our way through North Mountain.

The battle raged on for hours we did manage to save a few people and then our team pulled back for the night. That was now almost 9 years ago and I have been fighting ever since. Over the past few years there have been many casualties and victories. There were people who were saved and sadly there were those who were not.

At some point Charles and Ken, Shon and I were the only ones left, It was agreed that I would go back to Headquarters and get reinforcements, then this damn virus hit, Ken and Charles made it out alive but Shon was still on North Mountain badly hurt.

I ran and ran, it seemed like for days until I finally made it back to PFA Headquarters and sadly one of our leaders had past away and many of the other soldiers were all gone. I asked people in the Army if they could help thank God Peter stepped up to the plate but no one else would volunteer for such a dangerous mission.

Here let me explain. The Army I'm in is The Army of Christ and Ken, Charles and Shon are Pastors and I am Chaplain Paul we along with Pastor Thomas who died and went to Heaven and came back to tell about it for the Glory of God are on the front lines of this war, our enemy is satan and North Mountain is a care center

where we bring the love and the compassion of Christ Yeshua to the patients, family members and staff members, these are the lost souls I was talking about and our mission is in leading the lost to Christ and in sharing the compassion and love of Christ with all those around us for the glory of God.

I or I should say we are the weary Soldiers in Christ, we need reinforcements because the needs are many but the Soldiers are very few. The Army of Christ is looking for a few good, compassionate, kind-hearted, Spirit-filled righteous men and women of God like you, Wont you please come join us and together we can help in casting out the powers of darkness by being the light of Christ for all those who are suffering dearly each day...Amen John 14:27

Matthew 5:16 Let your light so shine before men that they may see your good works and glorify your Father in Heaven.

Joshua 10:25 Then Joshua said to them do not be afraid nor be dismayed be strong and of good courage for thus the Lord will do to all your enemies against whom you fight...Amen

Please contact the Activities Director at any nursing home, care center, medical rehab or Hospice and ask them how you can lend a helping hand in reaching out to those who are suffering.

Unconditional Love

By Chaplain Paul 9-29-20

When we gave our lives to Christ we were adopted into the Family of God, we became new creations in Christ Yeshua for the glory of God. We have citizenship in Heaven and our names are now written in the Lamb's Book of Life. We have been forgiven of our sin debt and we are set into meaningful service in serving Christ our Lord.

We are now very blessed to be loved by God unconditionally, what does it mean to be loved unconditionally? Well let's take a closer look and see.

UNCONDITIONAL LOVE

Unconditional love is known as affection without any limitations, or love without conditions. This term is sometimes associated with other terms such as true [altruism](#) or complete love. Each area of expertise has a certain way of describing unconditional love, but most will agree that it is that type of love which has no bounds and is unchanging.

In [Christianity](#), unconditional love is thought to be part of the [Four Loves](#): affection, friendship, eros, and charity.^[1] In [ethology](#), or the study of animal behavior, unconditional love would refer to altruism which in turn refers to the behavior by individuals that increases the [fitness](#) of another while decreasing the fitness of the individual committing the act. In psychology, unconditional love refers to a state of mind in which one has the goal of increasing the welfare of another, despite any evidence of benefit for oneself. The term is also widely used in family and couples counseling manuals.

Some authors^[who?] make a distinction between unconditional love and conditional love. In conditional love, love is 'earned' on the basis of conscious or unconscious conditions being met by the lover, whereas in unconditional love, love is "given freely" to the loved one "no matter what". Loving is primary. Conditional love requires some kind of finite exchange, whereas unconditional love is seen as infinite and measureless.

Unconditional love should not be confused with unconditional dedication: unconditional dedication or "duty" refers to an act of the will irrespective of feelings (e.g. a person may consider they have a duty to stay with someone); unconditional love is an act of the feelings irrespective of will.

Unconditional love separates the individual from her or his behaviors. However, the individual may exhibit behaviors that are unacceptable in a particular situation.

Christianity^[edit]

In [Christianity](#), the term "unconditional love" may be used to indicate God's love for a person irrespective of that person's love for God. The term is not explicitly used in the Bible, and advocates for God's conditional or unconditional love, using different passages or interpretations to support their point of view, are both encountered. The [civil rights](#) leader [Martin Luther King Jr.](#) was quoted as saying "I believe that unarmed truth and unconditional love will have the final word in reality".^[2]

The main use of "unconditional" in Christianity is the assertion "That God so loved the world..." In other words, God loves the world enough to suffer for us without preconditions. There is then the postcondition of actually accepting that Grace.

The two together are not fundamentally different from psychology's unconditional positive regard with the added proviso that some actions are inherently flawed and that only God knows the true nature and consequence of our actions. However, psychology's unconditional positive regard allows one to fail utterly since the psychologist cannot demand that we take care of the whole world since the psychologist has no fundamentally better idea of how to do that than the patient does.

The consequence is that we need to be in a relationship with God who does know how. However, this view is not particularly supported by scriptures found in the Bible. Jesus himself said that receiving his love is based on conditions, specifically the condition of following his commandments (example at John chapter 15 verses 10 and 14). Other conditions are found throughout the Bible.

(Something to think about, pray about and ask God about, that's why it's called a relationship with God.)

The Bible teaches many things about LOVE like in 1 John we learn the God is LOVE.

John 14:16-21 And we have known and believed the love that God has for us. God is love and he who abides in love abides in God and God in him. Love has been perfected among us in this that we may have boldness in the day of judgment because as He is so are we in this world. There is No Fear in love, but perfect love casts out fear because fear involves torment but he who fears has not been made perfect in love. We love Him because He first loved us. If someone says I love God and hates his brother he is a liar for he who does not love his brother whom he has seen how can he love God whom he has not seen? And this commandment we have from Him that he who loves God must love his brother also...Amen

Unconditional does not mean anything goes or that we are to be treated like a door mat, no not at all, unconditional LOVE means we love the sinner but hate the sin, it means applying tough LOVE in some cases and it means not being afraid in speaking the truth. Unconditional Love means not holding grudges while having the courage in standing up for one's self and in doing what is right for the glory of God. Unconditional LOVE means NEVER STOP LOVING THOSE WE LOVE, It means being there for those we LOVE and it means NEVER TURNING OUR BACKS ON THOSE WE LOVE. I will say it again we can at times apply tough LOVE and even ask our loved ones to leave for their own good but we NEVER STOP LOVING THEM NO MATTER WHAT...

Matthew 18:21-22 Then Peter came to Him and said, "Lord how often shall my brother sin against me and I forgive him up to 7 times? Yeshua said to him, "I do not say to you up to 7 times but up to 70 times 7."

In other words forgive always. Here is how I see it we are to forgive but we do not have to live with the person if they continue to create problems in our home. LOVE them but also try as much as possible to live a life of peace that is pleasing to God...Amen

1 Corinthians Chapter 13:4-8 + 13 ALL WE NEED IS LOVE

LOVE suffers long in his kind love does not envy, LOVE does not parade itself, is not puffed up. LOVE does not behave rudely, does not seek its own, is not provoked, thanks no evil, does not rejoice in iniquity but rejoice in the truth. Bears all things, believes all things, hopes all things, and does all things. LOVE never fails. But whether there are prophecies they will fail, whether there are tongues they will cease, whether there is knowledge it will vanish away. And now abide FAITH, HOPE, LOVE these three but the greatest of these is LOVE Amen

WILLOW

By Chaplain America 193 8-23-20

This is the story of The Willow. The Willow was as happy as happy can be, in fact it's because of The Willow that all the Happiness Trees were renamed Weeping Willow Trees.

It all began one faithful day in the month of April or maybe May. All of the Happiness Tress were all as happy as bumblebees. They were all singing and laughing and swaying about as they all lived a life of not having to do without.

Then one day big trucks arrived down by the pond where all the Happiness Tress lived. A crew of men dug up the trees with very big trucks then they hauled all the trees far, far, away, there were over twenty Happiness Trees removed from their happy home that faithful day.

All the Happiness Trees were replanted at a brand-new health care facility called The Shady Rest Nursing Home and Medical Rehab on High Ridge Road in Stamford Connecticut.

Soon after all the Happiness Trees began swaying in the cool Spring breeze, all of the Happiness Tress were as happy as Honeybees. About a year past and by this time the nursing home was just about full, then Corona Virus blew in and everything became very sad and blue.

Then one faithful day all of the Happiness Trees decided to look in the windows to take a little peek and what they saw took their breath away, For within the walls of what appeared to be a place of peace, comfort and rest was actually a house of horrors. The trees saw patients neglected, verbally and emotionally abused. They saw patients being treated like little children who were separated, isolated and heavily medicated. The trees witnessed patients being lied to and treated like prison inmates and zoo animals all for profit and greed.

Then the Happiness Trees began to weep for these poor souls night and day and soon after all of the Happiness Trees were renamed Weeping Willow Trees for they are the trees who weep for the sufferings of mankind.

The Weeping Willow reminds us all that we can do a lot better in the way we treat our sick, suffering and dying. The Weeping Willow is very kind and she has a very compassionate heart and sadly the sins of mankind are breaking her heart...

John 14:27 And Christ Yeshua said, "Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen"

Window into Reality

By Chaplain America 193 9-27-20

There is a window that sadly most people refuse to look through these days, this window is where true reality lays. I tell you it takes real courage just to take a peek because what you'll see will leave you speechless. Here now come along with me and together we will take a look into the window of reality.

And as we looked inside, we saw the many poor souls lying in beds, they were suffering as they tried to rest their weary heads. We saw people being treated like children and still others locked in their rooms, we saw people crying out to our Lord for help in asking,

"O Lord where is Christ in skin?"

We saw patients hooked up to breathing machines gasping for air, we saw staff members who did not seem to really care, we saw the paralyzed crying in pain and we saw their tears that fall like rain.

We saw people working all about, but the need for love and compassion by the patients it would seem sadly most of the staff members could do without. Again, we saw patients being treated like little children and even pushed about; I tell you America this kind of healthcare we all could do without.

We saw people abandoned by their families, all alone, neglected, mistreated, sadly they have lost all hope. We saw their dignity and their life savings stripped

away because of the high cost of American healthcare these days. We saw things that would break a person's heart, there needs to be a change because the sadness and the greed of American healthcare is tarring American families apart.

So there you have it my friend and sadly that was just a short little peek into the reality of the greed and the horrors of American healthcare these days, but with God's help we will continue the fight in making American healthcare compassionate, affordable, safe, loving and right in casting out all the powers of evil and darkness from our very sight...Amen

Joshua 10:25 Then Joshua said to them, "Do not be afraid nor be dismayed be strong and of good courage for thus the Lord will do to all your enemies against whom you fight."

Isaiah 41:10 Fear not for I am with you be not dismayed for I am your God I will strengthen you, yes I will help you I will uphold you with my righteous right hand.

John 14:27

The Good Shepherd

By Chaplain Paul 9-21-20

John 10:1-18 Most assuredly I say to you he who does not enter the sheepfold by the door but climbs up some other way the same is a thief and a robber. But he who enters by the door is the Shepherd of the sheep. To him the door keeper opens and the sheep hear his voice and he calls his own sheep by name and leads them out. And when he brings out his own sheep he goes before them and the sheep follow him for they know his voice. Yet they will by no means follow a stranger but will flee from him for they do not know the voice of strangers.

Yeshua used this illustration but they did not understand the things which He spoke to them.

Then Yeshua said to them again, "Most assuredly I say to you I am the door of the sheep all who ever come before Me are thieves and robbers but the sheep did not hear them. I am the door if anyone enters by Me he will be saved and will go in and out and find pasture. The thief does not come except to steal and to kill and to destroy, I have come that they may have life and that they may have it more abundantly.

I am the Good Shepherd the Good Shepherd gives his life for the sheep. But a hireling he who is not the Shepherd one who does not own the sheep sees the wolf coming and leaves the sheep and flees and the wolf catches the sheep and scatters them. The hireling flees because he is a hireling does not care about the sheep. I am the Good Shepherd and I know My sheep and am known by My own. As the Father knows Me even so I know the Father and I lay down My life for the sheep. And other sheep I have which are not of this fold them also I must bring and they will hear My voice and there will be one flock and one Shepherd.

Therefore My Father loves me because I lay down My life that I may take it again. No one takes it from Me but I lay it down of Myself. I have power to lay it down and I have power to take it again this commandment I have received from My Father Amen end

Christ Yeshua is our Good Shepherd for He will never leave us nor forsake us, even now He is standing beside each of us helping us and walking with us along the path of life. Ask Him to anoint your head with oil and to grant you a peace and a love that surpasses all understanding. Ask Abba Father to grant you his peace, love and joy. Read or listen to the Word of God for insight, encouragement and direction, and hope.

To the patients in American healthcare facilities across our nation remember you are loved, you are missed, you are being prayed for, you have purpose, you are the light of our Lord at North Mountain. Pray for patients, staff, family members, and your roommate. Offer prayer, a kind word of encouragement, friendship and love towards others. You are the salt of the earth who plants seeds of faith, hope and love for the glory of God. Psalms 23
