By Chaplain America 193 March 11 2021

The Health Care Activist sees a wrong in American healthcare and seeks only to make things right, He recognizes the injustice of corruption and greed, he is the voice for all those who are suffering in need.

The Health Care Activist place Service Above Self in reaching out in helping others for the glory of God. The Health Care Activist is someone with great passion and drive, for with the courage of a lion he will eat the opposition alive.

The Health Care Activist is the voice for all those who have no voice, he is the light that casts out the darkness of the night and he is the hope during life's fiercest storms. The Health Care Activist will lend a helping hand as a Good Samaritan when no one else is around, he will stand by your side and fight tooth and nail he will be your Health Care Advocate when dark skies begin to hail.

The Health Care Activist is not looking for fame or glory, he is not interested in making a pile of money or achieving political power, he isn't looking to get his picture in the newspaper or be seen on the 6:00 o'clock news. He's not looking for interviews or accolades or rewards because he fights for those who are suffering and who are all alone, he fights for those who are abandoned and left behind, he fights for the mistreated and abused. He fights for those who have no one and who suffers day after day in their nursing home, care center, medical rehab and hospital beds with heavy hearts and great sadness and tears in their eyes, he fights for them because they have no one by their side, he fights for them in the hopes of turning the awful American healthcare tide.

The Health Care Activist doesn't fight alone for he has God almighty by his side and he has the light of Christ Yeshua to help shine the way for he has the Holy Spirit to remind him of a brighter new day. John 14:27
